25X1A

Attention: _____

Gentlemen:

In accordance with your request of 26 September 1963, we are pleased to submit an optional addition to Proposal 1220-2452.

The option provides for circuitry to be developed which may be incorporated into the previously proposed hardware. Such an addition will provide for more independence in target programming and more sophistication in power programming.

25X1A

It is estimated that the incorporation of this further option will increase our originally quoted price by _____ included _____ in fee. For your convenience, a recap of the original selling price follows:

25X1A

	Total Cost	Fee	Selling Price
Original Quote	_____	_____	_____
First Option	_____	_____	_____
Second Option	_____	_____	_____

New Proposal Amount

25X1A

It is further estimated that the incorporation of this option will increase the total program duration by approximately two (2) weeks over that originally proposed. Two (2) copies of the Proposal Cost Estimate sheet are attached for your use. Also attached are two (2) copies of a classified document entitled, PROPOSAL "1220-2452 Clarification "A".
